

Heritage crafted with passion

*Since 1939*

## Who we are

# 1939

Founded in Tripoli by Said Saifan. Our company has grown from humble beginnings into a symbol of quality and tradition in the olive oil industry

# 1949

We proudly registered one of the first olive oil trademarks in Lebanon and the Middle East, Originally under the name Koura, now known as Saifan

# 1959

Georges Saifan, son of Said Saifan took the helm, shaping the company's direction with a steadfast commitment to excellence, integrity and reputation. His vision laid the groundwork for decades of success and global recognition

# 1985

Saifan expanded into the international market, with the USA as its first export destination. Since then, we have proudly built a worldwide presence, rooted in the values of our founders and sustained by a dedication to authenticity.

# 1996

Third generation entered the company

# 2017

Third Generation took the helm, and Said Saifan Est is now Said Saifan SAL

# 2025

Saifan expanded internationally and now exports to over 25 countries, reflecting strong global trust in its quality. This growth reinforces its position as a reliable and established brand worldwide.

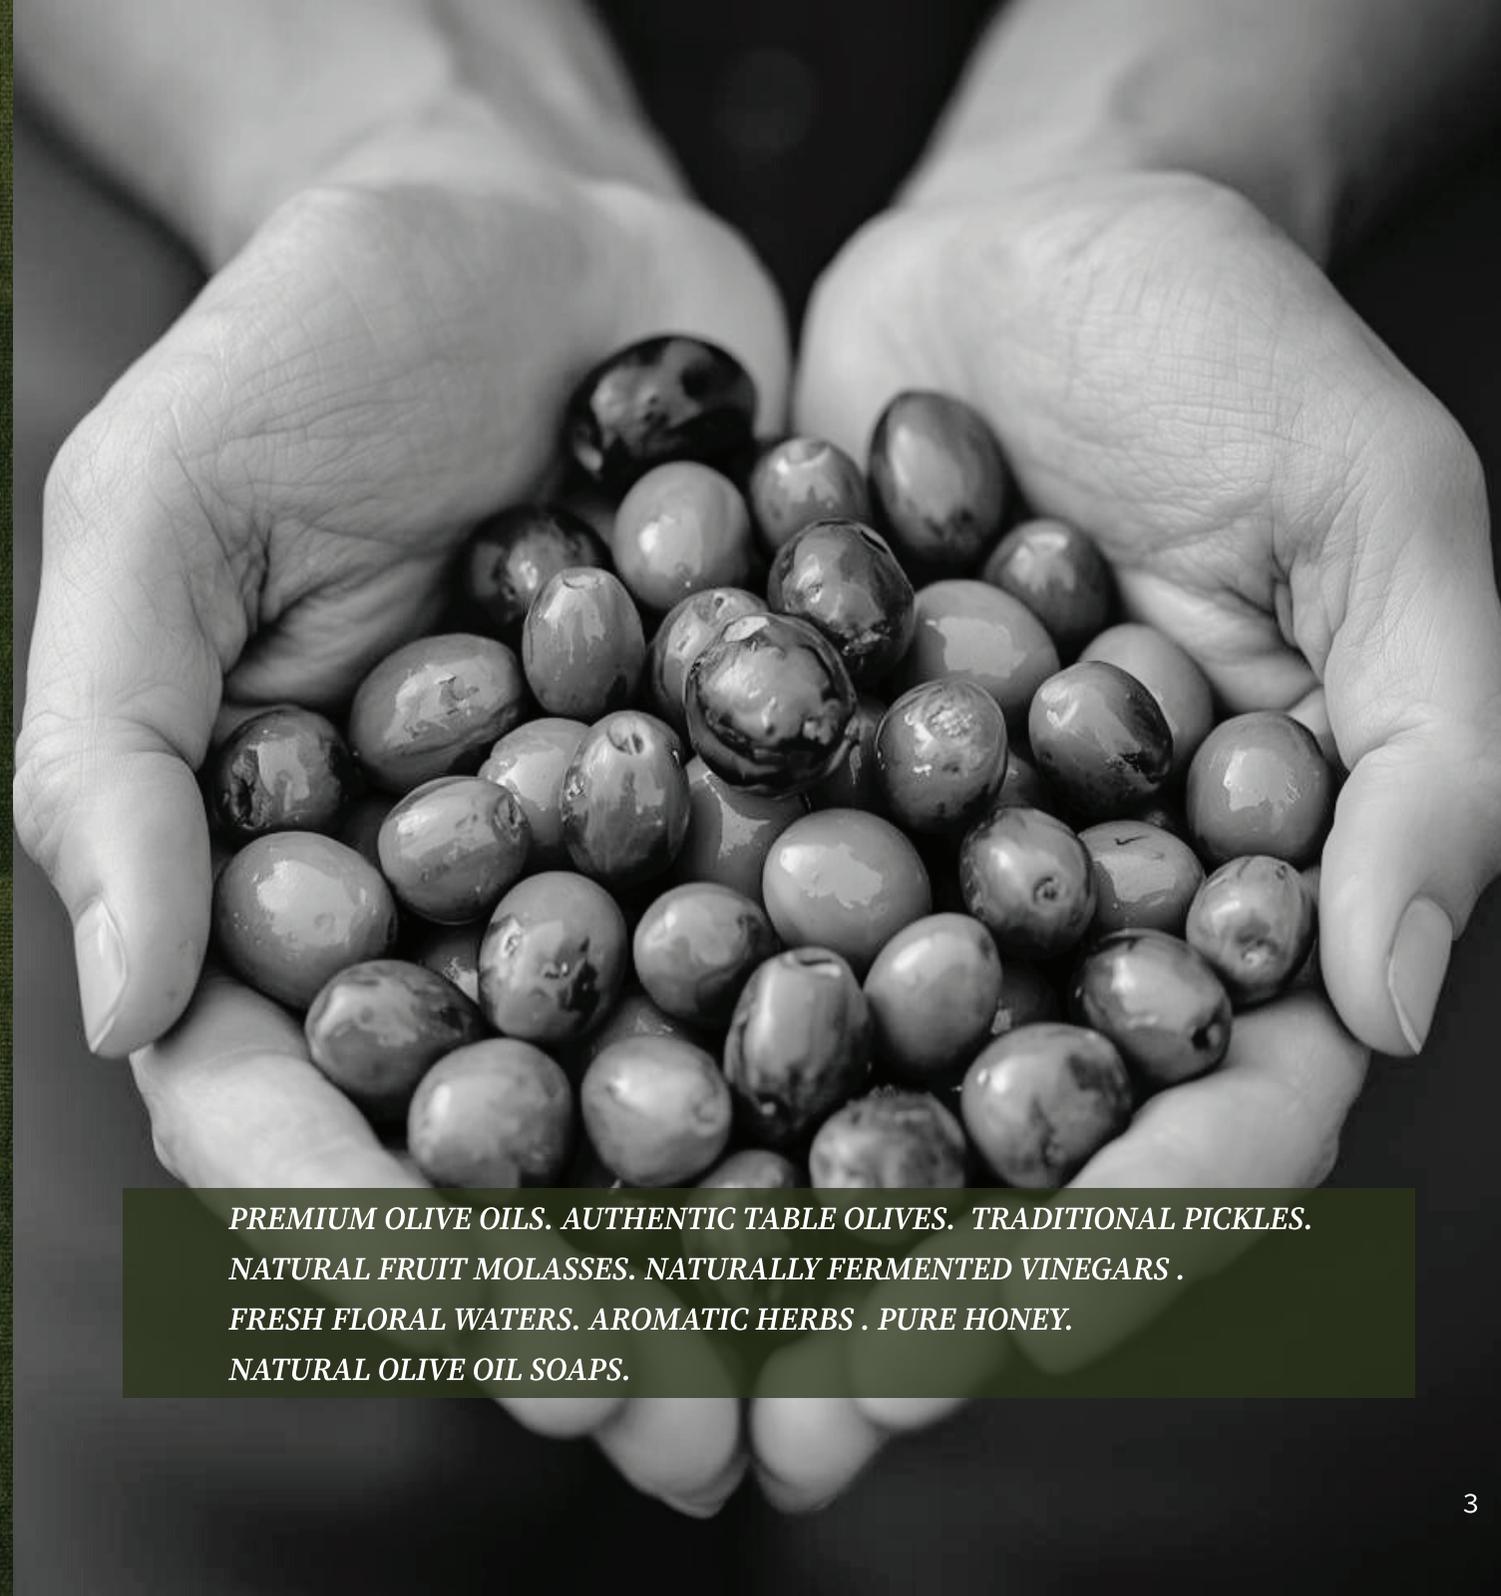

# 2026

The launch of Saifan's olive oil based self care line OLIVCO to the local and international market

# What we do

At Saifan, we specialize in crafting and delivering the finest olive-based products and traditional Lebanese delicacies to local and international markets. Our work begins with selecting premium olives from the Mediterranean's most fertile groves and continues through every step of pressing, processing, and packaging, ensuring quality from tree to table.

We combine heritage and innovation, using time-honored methods alongside modern technologies to meet international standards of quality and food safety. Whether it's for families, chefs, or global distributors, our mission is to share the authentic flavors of Lebanon with the world naturally, responsibly, and with pride.

NATURAL OLIVE OIL SOAPS.*

# Core Values

## Innovation

Saifan evolves through product development, process refinement, and global expansion

## Heritage

Saifan honors its deep-rooted olive oil traditions, preserving authenticity in every product

## Integrity

Built on honesty and transparency, Saifan fosters trusted, long term relationships with partners and customers.

## Community Commitment

Saifan supports communities by creating jobs, empowering women, and promoting sustainability

## Quality Excellence

Since 1939, Saifan has upheld the highest standards in olive oil production, ensuring premium quality across generations

## Global Vision

Present in 22+ countries, Saifan aims to share Lebanese olive oil worldwide and grow with changing market needs

## Products & Olive Oils

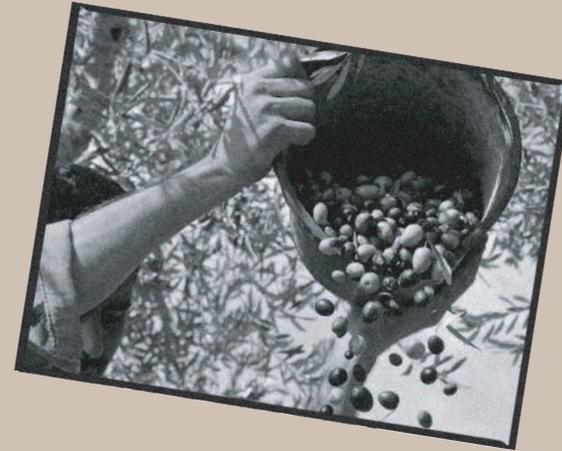

With over **85 years of heritage**, Saifan Olive Oil company embodies tradition, resilience, and excellence in Lebanese olive oil.

**Since 1939**, it has remained committed to crafting *premium oils* using authentic, time-honored methods. By partnering with over 400 farmers, Saifan ensures fair sourcing, supports rural communities, and maintains full traceability. It's cold pressed oils retain natural flavor, aroma, and nutritional value, while sustainable practices reflect a deep respect for the environment.

*Each batch meets the highest international standards and is offered in a variety of blends making exceptional quality accessible to all.*
